Product family datasheet

OSRAM

LEDinspect SINGLE CHARGE PAD

Wire-Free Technology Simply place a compatible worklight on the charging pad to easily hold and recharge

Flexible mounting options With strong magnets and screw holes built-in, you can easily attach the charging pad to toolboxes, workbenches and more

Built to last IK08 and IP20 rated to survive the rigors of the professional workshop

The easiest way to recharge inspection lights

Removing the need to find and connect the correct charging cable, OSRAM's Wire-Free charging pad securely stores and recharges a pair of suitable inspection lamps, so they are ready when you are. This innovative design not only enhances convenience but also supports an uninterrupted workflow.
