

LEDinspect WIRE-FREE PRO 600

Wire-Free charging compatible

Simply place on the Wire-Free charging pad to securely hold and recharge

600 Lumens

Place bright, 5700k white light where you need it most

Built to last

IK08 and IP54 rated to survive the rigors of the professional workshop

The easiest way to recharge inspection lights

Inspection lights are a vital part of any professional's toolbox. Removing the need to find and plug into the correct charging cable, OSRAM's wire-free inspection lights recharge without hassle by simply being placed on the magnetic charging pad. This innovative design not only enhances convenience but also supports an uninterrupted workflow.
